

FAMILY FUND

2023 - 2024

To Our Jackson Christian Family

Since 1976, Jackson Christian School has been committed to providing a quality, values-oriented education in a Christian environment. Since arriving on campus in June, I have found a very committed family helping support Jackson Christian and its mission. I am extremely excited that God has brought my family to Jackson to be a part of this important work.

Shortly after arriving on campus, I began to hear about the Family Fund and the impact that it has on Jackson Christian School. Gifts to the Family Fund help Jackson Christian make improvements that we might not otherwise be able to do. Past gifts have allowed us to improve athletic facilities, upgrade classrooms and playgrounds, support the fine arts, and more. As president of Jackson Christian, I'm committed to providing an environment where students can develop and thrive in their God-given abilities. Any size gift to the Family Fund is greatly appreciated and will help us move Jackson Christian forward. Please consider joining me and many others in making a gift to this year's Family Fund. Together, what can we achieve?

Dr. Billy M. Lones
President
