2024-2025

GIVING TOGETHER

The 2024-2025 school year begins our fifth year of the Family Fund at Jackson Christian. In that time, we have raised over \$1.1 million dollars for Jackson Christian. I am both humbled and impressed by how God has used this fund to move our school forward and knit our families together.

Our students can't take one step on our campus without stepping into a blessing provided by Family Fund donors. Whether they are enjoying outdoor recess at the Early Learning Village, programming "bots" in the elementary, lifting weights in Kenner Field House, warming up instruments in the band room, or completing collegiate coursework in the Academic Resource Center, the Family Fund paves the way for students to step into their own potential every day at Jackson Christian.

While I, too, let out a huge sigh of relief that I'm no longer called upon to sell wrapping paper, butter braids, mattresses, and other fundraisers on behalf of my children, I also remember that giving is a privilege. I'm honored to stand beside you and give together to a place we both love.

My Best,

Blake Beckham

Security Patrol

ALL CAMPUS

Captain Bowles does an exceptional job protecting our campus. The equipped cruiser provides a great visual deterrent. It allows

Capt. Bowles to cover

all areas of the campus, regardless of weather, and provides additional tools to keep our campus secure.

“As a parent, nothing is more important than knowing my children have a **safe environment** to learn and grow.”

- Jonathan Wheeler, Jackson Christian Parent

Vex Robots

ELEMENTARY

VEX robots help students apply STEM concepts as they build, code, and test robots. Fourth and fifth grade students can experience real-world integrated science, math,

and cross-discipline problem-solving.

"Vex robots help us take our STREAM initiative to the next level, providing hands-on inspiration for students to be the **problem solvers of tomorrow.**"

- Jeanna Rice, Director of Elementary

Music Curriculum

K - 6TH GRADE

This curriculum will help streamline music learning, ensuring that students continually build their knowledge of music theory and performance.

“I believe that variety, music literacy, and having fun with music are the keys to building **lifelong music-lovers.**”

- Tracy Smith, Elementary Music

Bible Curriculum

6TH - 12TH GRADE

The new Bible Curriculum ensures that our 6th-12th Bible teachers are equipped to lead our students to grow in wisdom, hope, faith, and love as we carry out our mission.

“This curriculum prompts students to deeper engagement with God's Word, shaping them in the **wisdom, love, and faithfulness of God.**”

- Luke Guard, Director of Spiritual Life
